DSA SA58 FAL RANGE READY SERIES

DSA SA58 16" Range Ready Traditional PARA Carbine Rifle

The **DSA Range Ready Series** of SA58 FAL Rifles was built and configured to get you on the range and shooting right out of the box! Coming direct from the DSA factory with some of our most popular upgrades installed; SAW Style Pistol Grip, Ambidextrous Magazine Release, Enhanced Winter Trigger Guard, Non-Reciprocating Left Side Enhanced Profile Charging Handle & Extreme Duty Scope Mount make the Range Ready Series of rifles the perfect choice for adding a FAL to your collection. In addition to these upgrades the Range Ready Series of rifles feature a 4150 - 11595E Steel premium barrel; different barrel lengths & profiles available on different models. This premium Mil-Spec grade barrel is mounted to your choice of our 4140 fully machined & heat treated receivers; Type 1 with and without Carry Handle Cut as well as a Type 2 with Carry Handle Cut.
